

Up with People Jr.

THE IMPORTANCE MUSIC AND THE ARTS

BRAIN

neuroscientists have found that actively engaging with music increases brain volume and strengthens communication between brain areas

BENEFITS

- higher IQ scores
- sense of achievement
- builds imagination
- teamwork skills
- master memorization

KEEPING THE ARTS ACCESSIBLE

Music and arts education is being significantly cut in public school systems

PERFORM

throughout the week at Up with People Jr children prepare for a 30 minute high energy musical performance

START TO CHANGE A KID'S WORLD

Up with People Jr is a non-profit performing arts and leadership development day camp
